

6.5.2. The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

- **Implementation of G-suite education for teaching-learning**

- **Scheduling online classes in Google calendar:**

- **Online classes by teachers:**

- **Feedback collected from students on teaching-learning:**

The IQAC plays an instrumental role in maintaining the quality of teaching-learning in the college. Taking feedback from all stakeholders (student, parents, teachers, alumni etc.) is an important tool for understanding the success or failure of any process. Questions are framed by the IQAC team members on curriculum, on teachers, on teaching-learning mechanism and college facilities. The google form links are shared through digital platforms with the stakeholders. The responses submitted are analysed and the graphical representation of the results are uploaded in the college website. Any suggestions for improvements are discussed and forwarded to higher authorities, if necessary.

Screenshots of Feedback responses received:

The image displays two screenshots of Google Forms used for collecting student feedback. The top screenshot shows a form titled "Feedback form for B. Com students (2020-2021 session)". It includes the college name, address, and a statement from the IQAC. The form has fields for "Email" and "Name of the student". The bottom screenshot shows a form titled "Feedback form for B.A./B.Sc. students (2020-2021 session)-on Curriculum, Teaching-learning, Evaluation and Facilities". It also includes the college name, address, and a statement from the IQAC. The form has fields for "Email" and "Name of the student". Both forms show a "Responses" count of 296 and 184 respectively.
