Along with providing comprehensive knowledge of multiple disciplines, we instill sound moral values in our students so that they are completely equipped to deal with challenges after passing out from college. We have qualified, young as well as experienced faculty members who always try to update themselves to provide high standard education to the students.

It is with great pride that I state that the college has managed to achieve B+ Accreditation from NAAC in the first round of assessment in 2016. The college offers several undergraduate courses in Commerce, Arts and Science along with career-oriented programs like Personality Development, Foreign language classes and Sports training programs. Students are encouraged to take part in social outreach initiatives and co-curricular activities like seminars, educational excursions, workshops and exhibitions so that they experience an exciting college life. Every year, we have some students topping in University examinations in different subjects. I wish them success in their future initiatives.

I would also like to extend a warm welcome to the new entrants and urge the senior students to set a good example for their juniors in terms of academic performance and adhering to the code of conduct in the upcoming academic session. I hope that the years that you spend in this college become memorable for you and all of you achieve the greatest success in your respective fields in the future. All the best!!
