

## Perspective plan of the college for the session 2023-2024

### ❖ Academic Plan (covering criterion I, II, III, IV & V)

- To offer range of options of course combinations as per newly introduced 'Curriculum and Credit Framework (CCF) 2022' under NEP 2020, and introduction of new subjects as per needs/demand
- To upgrade infrastructure (classroom, laboratory, and library) based on 4-year courses of NEP 2020
- To consider suggestions/recommendations from Students' 'Feedback' such as:  
Air-conditioner in library and classrooms, LCD projectors in more classrooms, Wi-Fi facilities to all students, better services in canteen, clean toilets, more field-visits etc.
- To offer training program for competitive examinations/internships/value-added certificate course/skill-oriented courses
- To increase academic collaborations with other colleges and signing of MoU with other Institutes/Industries
- Undertake research activities for faculty and students
- To encourage faculty member for upgradation of academic qualification by enrolling for Ph.D., publication of paper in journals of repute and rewarding the teachers for their achievements in college functions
- To sanction seed money to faculty to carry out minor research project
- To organize innovative academic activities, invited lecture/seminar/conference, workshop for better understanding of subject
- Innovative teaching pedagogy through LMS, uploading of lesson plan, video recording of lectures for easy access of students
- To create smart classrooms
- To motivate students for self-employment and enable them to emerge as entrepreneurs
- Upgradation of sports and physical infrastructure (water resource, power supply etc.)
- Extension activities/outreach programs through NSS/collaboration with NGOs
- Safety awareness programs for community/students/staff
- To organize Inter-College programs
- To make the training and placement cell more functional and organize campus drive, session on career opportunities available after graduation, GDPI session, session for soft and hand-skill for better employment

### ❖ Administrative Plan (covering criterion VI)

- To enhance e-governance
- To undertake Administrative and Academic audit
- To organize Faculty Development Programs (FDPs) for teachers and training programs for non-teaching/support staff
- Awareness program for safety measures

❖ **Eco-friendly plan (covering criterion VII)**

- Formation of a committee and layout 'Energy Management Policy' to save energy and minimize production of various wastes; as per recommendations of Green Audit
- Arrange for recycling of chemical and organic waste
- To plant more variety of trees especially fruit plants, ornamental plants, and uncommon plant species
- To place indoor plants in every corner of the building and in rooms which are not ventilated properly or not opened regularly
