#### **Objective:**

The primary objective of Training and Placement Cell is to provide career guidance to the students which includes making the students decide and choose a career path that aligns with their interests, skills and abilities. The cell reaches out to various professional and industrial bodies to facilitate students in imparting skills and training necessary to build a strong career.

Training and Placement envisages to provide employment opportunities in reputed organization and industries.

It acts as an interface between the students of the college and various companies that come for recruitment. The aim of the cell is to bridge the gap between student aspirations and the industry demand. It aims to foster strong relationships with industry partners, promoting Internship and training programs.
